

FINISH OPTION BOOKLET

INTELLIGENT OFFICE FURNITURE

IOF prides itself on offering a wide palette of finishes, allowing you to choose your perfect mix of solids, traditional tones, contemporary wood grains and most recently several vibrant modern options.

Mix and match multiple shades, add a splash of color or design a unique piece with a contrasting edge. With 30 finishes in multiple thicknesses and edge profiles, the options are as endless as your imagination.

WHITE CHOCOLATE

1" Textured Panel • Textured Edge

A close-up photograph of a light-colored wood grain texture, showing horizontal lines and subtle variations in tone from pale yellow to light tan. The texture is smooth and consistent across the entire frame.

DUNE

1" Textured Panel • Textured Edge

The image shows a close-up of a wood surface with a light tan or beige color. The grain is characterized by wavy, horizontal lines with some darker, reddish-brown streaks and knots, typical of maple wood. The texture appears smooth and natural.
