flexibility realized through accessories

Ottomans, tables and marker boards are easily rearranged into an array of configurations. The coveted mobile mini stool is lighthearted and fun, perfect for small meeting arrangements or as a stowable guest option.

architecture on the move

Mobility of modern elements is reinforced by pairing slider glides with casters. Practical features such as a linear handle, pivoting table and multi-use shelf enhance the functional design.

collective motion

Part of a comprehensive family, Collective Motion is designed to be paired with offerings from Collective Office, Conference and Presentation to expand its uses and solutions for settings from private office to open plan teaming, informal collaboration to formal conference.

Each piece of wood is unique, characterized with differences in color, grain configuration and texture. These characteristics are not considered defects and are easily detected with natural and light finishes.

Two distinct styles marry into one inimitable personality. Media consoles, privacy screens and huddle tables with writable worksurfaces encourage collaboration and teamwork. Lounge elements such as the precisely designed occasional tables add prestige to waiting areas. Mix and match for diversity and functionality.
