come one, come all

Ziva is open when it needs to be, and private when quiet concentration is more important. Gradual curves and clean lines invite groups to huddle up, while upholstered surrounds block out the distractions. Tablet arms add a convenient working surface, and built-in electronic stations prove that charging isn't limited to the wall.

sets the stage for great work

Ziva's clean, modern, geometric lines and shapes let the work and collaboration that happens here shine. Subtle, precise horizontal stitching and contemporary hard surfaces are the difference between simple and sophisticated.

Details matter, and Ziva doesn't overlook a single one. **Foot Options** Adjustable, easy-to-level metal feet and optional casters are a critical part of the collection's ability to quickly change from one configuration to another. **Tables** Lightly scaled tables in both occasional and work heights are easy to pull up or put away. Available in veneer or white solid surface finishes. **Fabrics** All fabrics run railroaded.

clean lines in every form

Build interest and openness with precisely curved pieces, or create more defined spaces with straight edges. Ziva's modular design lets creativity flourish in any work environment, both in form and in feeling.
